

We are looking to hire qualified individuals to conduct a specified assessment for people with intellectual and developmental disabilities in North Dakota. This is a part-time flexible position working one to two weeks per month.

Who is Rushmore?

The Rushmore Group is a team of experts dedicated to partnering with state and county social services agencies.

Over the past 28 years, Rushmore has grown into a national leader in public sector consulting and software development.

We specialize in helping federal, state, and county agencies improve performance, ensure compliance, and modernize systems.

Rushmore Offers:

- Paid training.
- Flexible scheduling.
- Mileage reimbursement.
- No nights or weekends.
- Pay range: \$15.00 while training and \$27.50 after certification.

Qualifications

- Bachelors Degree in a Human Services field.
- One year of experience working with individuals with intellectual and developmental disabilities.
- Ability to work with diverse cultures and backgrounds.
- Strong communication skills.
- Comfortable using computers for data entry and communication.
- Ability to travel with potential overnight stays at assigned work location.

Responsibilities:

- Completion of assessments in a timely, reliable and respectful manner.
- Maintaining assessment standards and protocols.
- Demonstrate commitment to individuals with disabilities, their families, and service providers.
- Ability to maintain confidentiality and handle sensitive information.
