

To our supporters,

Join us as we host the Gen Giammanco Foundation Charity Golf Tournament as our 8th annual fundraiser, on Monday, September 22, 2025, at Corral de Tierra Country Club, Salinas. Tournament registration will include green fee, cart, light lunch, on-course food and drinks and shenanigans. Join us after the tournament for awards, food, live and silent auctions.

The organization provides financial support to deserving college-bound student-athletes who exhibit the passion and commitment to achieve their dreams of both scholastic and athletic success in memory of Genevieve Giammanco.

In addition to funding scholarships, we provide financial support to local middle and high school athletic programs by purchasing sports equipment. To date, the Gen Giammanco Foundation has awarded over \$604,000. It is the overriding mission to reach as many student-athletes as possible in their pursuit of scholastic and athletic success.

Please note that we are a 501c (3) nonprofit, and donations are tax-deductible. If you should have any questions, please don't hesitate to contact us.

Thank you for your consideration to become a sponsor and for supporting our important mission. Sponsorship deadline is September 8, 2025, to be included in marketing material.
