On behalf of the Board of Directors of the Gen Giammanco Foundation, I am writing to request financial support for The Gen Giammanco Foundation. The program benefits deserving students from our community in their pursuit of both scholastic and athletic success on the collegiate level.

The mission of the Gen Giammanco Foundation is to provide monetary awards to deserving youth who exhibit the passion and commitment to pursue their dreams as an athlete in college. Since its inception, the Gen Giammanco Foundation has awarded over \$170,000 and this year with your help, it will allow us to award more scholarships to our communities deserving athletes and continue to support our local schools athletic programs. In times of increased college costs and uncertain family economics, the Gen Giammanco Awards are of great help to students and their families.

Genevieve "Gen" Giammanco was a strong, joyful and loving person. She embraced life with infectious enthusiasm and reached out to others with laughter, friendship and compassion. She was an eager learner and a talented athlete, determined to achieve her best in the classroom and on the volleyball court. Following her death at age 17 in a unfortunate car accident on April 9, 2010, along with her close friend, those blessed by knowing Gen saw even more clearly what a remarkable girl she was and what a beautiful and gifted young woman she was becoming. This Award is an expression of their love and their wish that Gen's life serve as an inspiration for students who believe in themselves and in what they can accomplish for the betterment of all. Gen Giammanco touched those around her in a way that made them laugh and love her all at once. This Award will forever be a tribute to the life she lived and the difference she made. It is given in her honor, with hope that it will make a difference in others' lives, now and in the future.

Thank you for your consideration of our 2019 sponsorship request and we look forward to your response.

Sincerely,

*Annie Giammanco*
