Newsletter by Email??

Would you prefer to receive our newsletter by email instead of a paper copy by the US Postal Service? This would save the Club money for postage, paper and ink. We have no plans to stop sending paper copies to those members that still prefer that format. If you would like to try the email approach, please send an email to Jayne at mach1scj@primelink1.net from the email address you would like us to use.

Membership Information: The North Country Mustang Club, Inc. is a non-profit organization dedicated to the enjoyment and enhancement of the motoring sport. Being a Club Member entitles each individual to the Newsletter, Club Membership Card, Club Logo Decal, and participation in Club Events. The North Country Mustang Club, Inc. reserves the right to deny membership for any reason deemed detrimental or injurious to the Club. Meetings are held on Saturdays ten times a year. Times and locations may be changed periodically to suit the needs of the membership or a particular event. Dues: \$20.00 per year. This newsletter is also a forum for members to use. If you have any questions, comments or stories to share, please send them to:

Meeting Highlights

Car Show Committee: Dick reported they held a small meeting since our last regular meeting at which they reviewed potential sponsorships. They have agreed to have Randy Ashfield act as DJ again this year. Dick will notify us with next meeting date to post in the newsletter.

ARC Party Reschedule: Andrea agreed that we could make plans now to reschedule the holiday party that had to be postponed due to weather related issues in January. The suggestion was made that we hold the rescheduled party at a local Fire Station to provide interest for participants. Alan Mitchell agreed to check availability of the Altona Station with a suggested date of Saturday, April 21st. Members would arrive for set up at 11 am, guests to arrive at noon. The Club already has gifts prepared and waiting. Members are asked to let Jayne know what foods they would like to bring for the luncheon.

Thank you Letter from Champlain Valley Transportation Museum has been received for our recent \$250.00 donation.

Prom Cruise Requests: Monika reported that she has made an offer to the Beekmantown central students. Carol commented that her daughter might be interested in participating. Their prom is on May 19th.

Greater Adirondack Ghost Tour: Monika reported that Matt Boire is available for tours at \$15.00 per person or \$5.00 ages 10 and under. After some discussion, it was decided that Monika will see about scheduling a tour for Friday, October 12th.

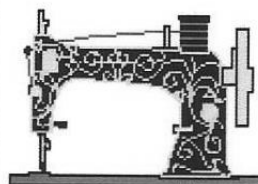

Election of Officers – Vice President and Treasurer: President, Miles, asked three times for further nominations to fill these posts. No further nominations were received. A motion was made by Julie, seconded by Evelyn, that the Secretary be allowed to cast a single vote for the two nominees – Dick Ashfield for Vice President and Linda Gaudette for Treasurer. All members present voted in favor of the motion. The Secretary then cast the vote. Dick & Linda will continue on for another two years in their respective posts. Thank you to Dick and Linda for your continued efforts on behalf of our Club.

National Mustang Day Celebration: This event is celebrated each year on April 17th, a Tuesday this year. As the weather is always questionable in the North Country on that date, the decision was made to hold off any final arrangements until closer to that date. The suggestion was made that we could hold a quick meeting on April 14th to be followed by a cruise. We could also decide on a ride on the 17th weather permitting.

Meeting Highlights continued...

Museum Passport: Monika explained there are about 16 local museums in our area with a passport available at the Chamber of Commerce designed to encourage visitation at each one. The Club could decide to plan various times to visit the museums together. Evelyn volunteered to look further into details and report back at a future meeting.

Relay for Life Event: Carol explained that she is part of the Relay for Life planning committee. She suggested that we might plan a cruise in with a short display of our vehicles for participants in that event. It is scheduled for Saturday, June 16th at the fairgrounds. As that is a scheduled meeting date, we could meet somewhere, ride to the fairgrounds to display our vehicles for 30 to 60 minutes and then cruise to another location for our meeting. Carol will follow up with more details as we get closer to June.

Flag Day Celebration: Monika asked whether the Club has ever participated in a Flag Day Celebration. She suggests that we could perhaps plan a celebration in conjunction with the Boy Scouts. The Club could plan to donate a Flag as part of the celebration. This suggestion was left for further consideration.

Rockburn Car Show: Bruce suggested that the Club might consider participating in the Chateaugay Antique Association event held in Canada each year over the third or fourth weekend in August. Linda participates in this county fair type event each year. They will present more information on this event at a future meeting. We may need to adjust our August picnic date to participate.

Next Meeting Date: Saturday, April 14th at the Ground Round Restaurant.
