HOTELS: Due to scheduling beyond our control this year, we do not have a Preferred Hotel. You will find that rates are at least doubled the last week of February through March due to baseball's "Spring Training" popularity here in Mesa. There were no special rates available to us, watch for our schedule change to avoid the price increases for future festivals.

RV Parking: The City of Mesa has strict camping regulations restricting RV parking/camping in designated RV parks only. Fortunately there are many RV parks in Mesa and also close by in Apache Junction. If you are a member of the Elks Lodge, there is one in Apache Junction with their own RV camping sites....
