

CHAPEL OF FOUR CHAPLAINS MEMORIAL SERVICE

Please join us on 4 February 2024 when we will conduct a Four Chaplains Memorial Service. This service will be dedicated to these courageous, unselfish men. Service will start at 0930. The location is at 1081 Main Street, Cornerstone of Faith Methodist Church. (Parking is available behind the Church, across the street and also behind the former Police station building).

As you may know, Four Army Chaplains gave up their life preservers to soldiers as their troopship the Dorchester, which had been torpedoed by a German submarine, was sinking.

A candle will be lit, a short biography read, and a wreath placed for each Chaplain as part of this ceremony.

This true story of bravery in the Second World War has led to the Creation of the Four Chaplains Memorial Foundation which keeps the memory and sacrifice of these four remarkable men of God alive.

*There will be a **special offering**; proceeds going to the Chapel of Four Chaplains Foundation to aid in continuing their work to educate the public of this great, heroic, historical event.*

This is an ecumenical service, all are welcome. We hope you will be able to join us.

Light refreshments will follow in the Church Fellowship Hall.

Please RSVP by Tuesday 30 January 2024 to insure ample food will be available.
