INTRODUCTION

Retail, Corporate, Hospitality, Exhibits, Displays

PES Projects is a leading visual experience agency specializing in crafting impactful and immersive environments that bring brands to life. With decades of expertise, we deliver tailored solutions in exhibition design, retail fit-outs, and corporate and hospitality projects. From concept to execution, our team combines creativity, precision, and sustainable practices to create visually stunning experiences that captivate audiences and elevate brand presence. At PES Projects, we are passionate about transforming ideas into memorable spaces that inspire and connect.

ABOUT US

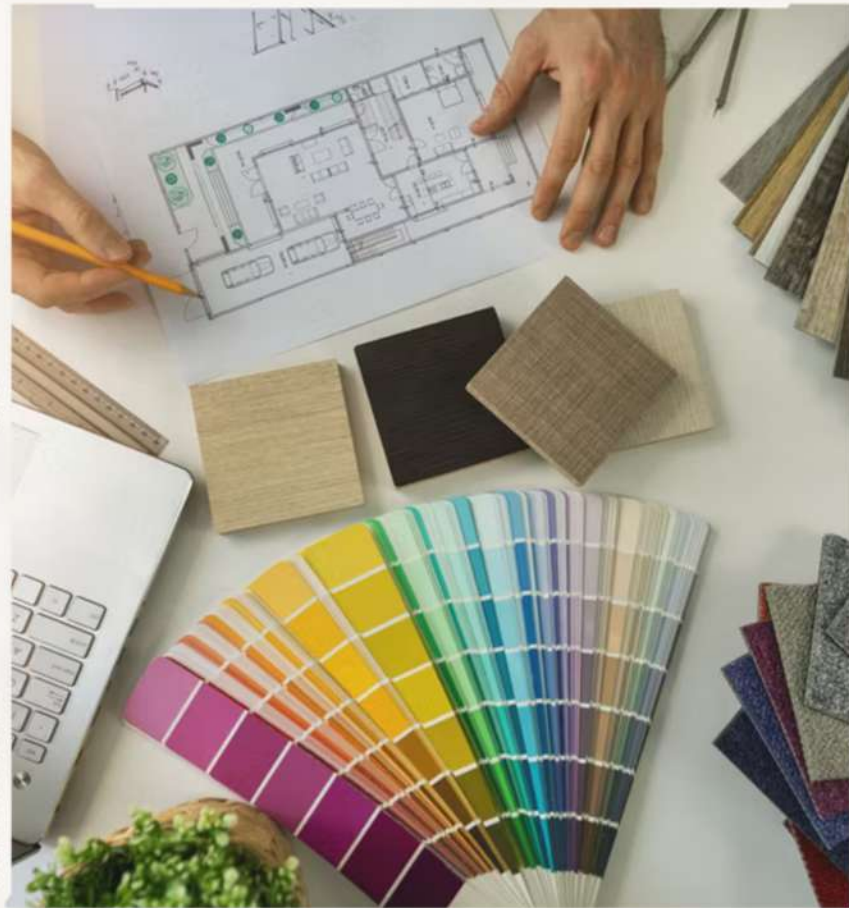

"Extraordinary design is not just seen; it's felt, lived, and remembered."

At PES Projects, design is more than what we do — it's who we are. Our passion for creativity drives us to push boundaries and transform the ordinary into the extraordinary. From concept to completion, we craft spaces and experiences that inspire, captivate, and leave a lasting impression. Every project is a journey to discover new possibilities, challenge the status quo, and deliver excellence in every detail.

OUR SERVICES

Turnkey or Outsourced

Turnkey Solutions provide end-to-end project management for exhibitions, retail fit-outs, corporate, and hospitality projects. From initial design to construction and final delivery, we handle every detail, ensuring a seamless experience and exceptional results.

Outsourced Project Management service allows us to collaborate with your team, stepping in as an extension of your workforce to manage project execution. Whether it's overseeing logistics, coordinating with service providers, or ensuring on-time delivery within budget, we take the pressure off so you can focus on your expertise.

EXHIBITIONS

Design and Construction

At PES Projects, we bring a unique approach to exhibition design and management, backed by decades of expertise. We don't just build exhibition stands; we craft immersive, strategic experiences that help you stand out in a crowded marketplace. **Our process includes delivering three innovative designs within your budget**, offering choice and efficiency.

We ensure on-time delivery with **financial penalty clauses** in place, so your deadlines are always met.

From reusable, sustainable solutions like our “Expo in a Box” to bespoke custom-designed stands, we cater to every need. With seamless project management that covers everything from graphics to build-up and breakdown, we make exhibiting effortless and impactful.

EXHIBITIONS

Management

At PES Projects, our exhibition management skills are built on meticulous planning, seamless coordination, and unwavering attention to detail. We manage every aspect of your exhibition journey, from liaising with show organizers and overseeing logistics to handling graphics, AV setups, and stand construction. Our team ensures that deadlines are met, budgets are maintained, and your brand vision is flawlessly executed. With our hands-on approach and commitment to excellence, we transform complex exhibitions into stress-free, impactful experiences that maximize your ROI and leave a lasting impression on attendees.

POINT OF SALE

100% Recyclable

At PES Projects, our point-of-sale solutions are designed with sustainability and convenience in mind. We use Xanita, a 100% recyclable fiberboard that is lightweight, durable, and eco-friendly. Our flat-pack designs are quick to assemble, reducing setup time while maintaining high-quality aesthetics. To make the process seamless, we handle all logistics and project management, ensuring your displays are delivered and installed efficiently, so you can focus on engaging your customers.

SHOP FITTING

Retail, Hospitality

PES Projects offers comprehensive shopfitting solutions tailored to enhance retail spaces with functionality, aesthetics, and customer experience at the forefront. Our team manages the entire process, from conceptual design and material selection to precise installation, ensuring every element aligns with your brand vision. Whether it's a flagship store, boutique, or franchise rollout, we combine craftsmanship with cutting-edge techniques to deliver high-quality, on-time results. With our attention to detail and end-to-end project management, we create spaces that not only look exceptional but also drive performance.

CORPORATE INTERIORS

At PES Projects, we specialize in creating dynamic and functional corporate interiors that reflect your company's values while fostering productivity and innovation. Our team works closely with you to design and deliver office spaces that are not only aesthetically pleasing but also optimize workflow and employee well-being. From open-plan offices to executive suites and collaborative spaces, we manage every aspect of the project — from concept development and material selection to final installation. Our attention to detail and seamless project management ensures that your corporate interiors are completed on time, within budget, and to the highest standards.
