

ATIP Request Template

Tailor this information request to your needs:

“I am requesting records relating to the operation and oversight of Job Bank job postings for administrative and office roles in British Columbia, specifically Abbotsford, Surrey, and the Fraser Valley, from January 1, 2024 to present.

This request includes:

1. Any internal guidance, policy, or criteria used to determine wage levels advertised on Job Bank postings.
2. Records relating to the monitoring or evaluation of whether Job Bank postings result in successful local hires.
3. Any internal communications, reports, or analyses regarding the use of Job Bank postings in support of LMIA or immigration-related recruitment.
4. Records of complaints, concerns, or reviews related to wage discrepancies or lack of local applicant response for Job Bank postings.
5. Any documentation addressing eligibility wording for Job Bank postings, including the inclusion of temporary residents with valid work permits.

I am requesting electronic copies of these records.”
