# A Note about the 2020 Reunion

Hello Marauder Men and Women:

As the 2020 Reunion Coordinator I would like to thank you for the opportunity of putting together this great Reunion. We are very proud of our upcoming events planned this year. I know a lot of you are very concerned about Covid-19 and the issues going on right now. At this point in time, we are still planning on moving forward with the Tucson Reunion. Of course, we will be watching and listening to recommendations, upgrades and advisories from local and state and federal levels regarding the safety of everyone's health. We will provide PPE items for everyone's use and protection and have decided to extend **full refunds until September 28th** for anyone that decides that the risk associated with Covid-19 has become too great.

Our primary goal is to protect our Members so we all want to enjoy ourselves and honor these great men and women.

Again thank for the opportunity.

Roberta Dow Faulkenberry
