HERE'S OUR GOAL- NEW SPONSORSHIP DOLLARS \$10,000 annually

We are determined to involve our community business partners in our thriving non profit club. We believe that we can help our local businesses by promoting their company's name in our club. With an annual membership of over 1400 members, Gymmies advertising will target a large & captive audience. And you'll know you have helped a leading "not for profit" community sports group.

-Do you know someone who might be able to help? A friend or family member, a local (or not so local) company?

That's who we need!
