REFUND POLICY

Students should familiarize themselves with the refund policy prior to submitting payment for their studies. [Tuition fees are in US dollars for US and International Students.](#)

National and International students who:

1. Withdraw in the first week of program will receive a 50 % refund of tuition fees.
2. Withdraw within the second week of program will receive a 30% refund of tuition fees.
3. Withdraw after the second week of program will receive no refund of tuition fees.
4. Withdraw for medical reasons or due to a failure to obtain a student authorization prior to arrival *for practical residency* will be entitled to a refund of tuition fees paid less a \$150 administration fee. Students must notify Aglaia in writing and provide documentation prior to the start of the practical residency. Once instruction residency begins, no refund of tuition fees.

Agreement

The module(s) provided by the institution to the student under this agreement is an independent, separate and singular module(s) and is not part of and not integrated, associated, affiliated or articulated in any way whatsoever with any other programs offered by the institution or other institutions.

Tuition paid by the student to the institution for the module(s) provided under this agreement is in return for the institution providing the module(s) to the student under this agreement only and is not related to any other program or institution.

The institution makes no representations, warranties or promises to the institution about any form of integration, association, affiliation or articulation with other programs.

The module(s) provided by the institution to the student under this agreement is not integrated, associated, affiliated or articulated with any other programs by way of program pre-requisites, program credit transfers, common examinations or multi-program credentials.

The institution makes no representations, warranties or promises to the institution to the effect that the module(s) can independently or in association, affiliation or articulation with any other programs be used or recognized by any third party association or professional group for the purposes of membership or admission or professional credential or status.

Subject to its provisions, this agreement constitutes the entire agreement between the Parties and supersedes all promotion, academic, operations and other verbal or written communications and agreements.

I have read and understand the above terms, conditions and contract of enrolment and in acceptance to abide by them I affix my signature below, along with that of my parent or guardian (if under 19 years of age):
