## Meet Kellie

Kellie serves as the Learning and Coaching Coordinator for our Pink Marker Program. Kellie studied Communication Studies at Stockton University and Human Services Counseling at Liberty University for her Master's Degree.

Kellie is an outgoing, kind, and adventurous person who has a zeal for life but most importantly for God. She is excited to help develop courses for the Pink Marker Program, but even more excited to impact and champion women into their true identity.

Her faith has led her to where she is now and she wholeheartedly believes that this program will change lives. Kellie knows what God has done within her life, and is fully persuaded He will do incredible things for countless others in ways only He can. She is eager to meet all of the amazing women who will participate in the Pink Marker Program.

Outside of work Kellie can be found enjoying coffee, being active, exploring nature, traveling, hanging out with her loved ones, spoiling her dog named Ebby, and spending time with God.
