

Advocates *in* Holiday Edition

The Pink Marker Movement is a powerful movement where you re-write the labels that have been covering you, and likely muting your voice.

Through the Pink Marker Course, you will identify, challenge and re-write the labels that depict your story. Take back the power of your voice by bringing your story to the surface in a powerful and moving way.

Be sure to stay tuned with what is new on our Influentials Podcast. This season we have extremely talented guests that are going to be talking all things entrepreneurship, faith, business, leadership and so much more.

This Christmas Season Advocates has teamed up with Together We Rise. This organization's goal is to provide a better and more joyful foster care experience for every child they can. Each year they help over 400,000 kids in foster care.

They do this through their programs such as back to school, moving teens into college, birthday boxes and so much more. Together We Rise has impacted children's lives in such a positive way. Advocates has pledged to fill three stockings for children this Christmas. We are thrilled to be apart of a cause such as this one. As the year is wrapping up people all around the world are getting ready to celebrate the holidays and reflect on the previous year while looking forward to the next one. Here at Advocates we are also feeling very festive as we are also celebrating our 5th Anniversary as a company.

We begin to reflect on how far we have come while also looking forward to the year and future ahead. We are so proud of what Advocates stands for as a company and we feel honored to hold a space for others to feel seen, supported and empowered.

We wish everyone the happiest holiday season and a blessed new year!

Happy 5th Birthday
Advocates

wow!!!

5 years, what an accomplishment. There have been so many things that have changed over the last 5 years. I am in awe of the work that we continue to do and the mission we continue to serve.

Advocates has embraced #Transformation and we are looking into 2022 with expectancy and elation! With our grand re-opening in the Winter of 2022, Advocates is bringing Advocacy to Main Street and beyond! I am so excited to see our growth in spite of all the challenges we have faced.

We look forward to all that 2022 has to offer!

Much love,

Joy M. England-
