ANNUAL REPORT 2024

LATEST INFORMATION AND UPDATES
ABOUT TOWN AND COUNTRY ANIMAL RESCUE

LETTER FROM OUR BOARD

Dear Supporters,

Fiscal Year 2024/2025 has been a year of tremendous growth (and tremendous challenges) at Town and Country Animal Rescue. The number of animals coming through our doors has risen significantly, and more than ever, they arrive in need of intensive medical care, emergency treatment, and patient, gentle rehabilitation.

Our staff and volunteers have risen to these challenges with extraordinary dedication, ensuring that every animal receives not only the medical attention they need, but also the compassion and love that helps them heal. With shelter occupancy at record highs, the demand for care has tested our resources and facilities, especially during harsh winters and within our aging buildings.

And yet, together with your support, we have persevered. As we reflect on the past year, we are deeply proud of all we have accomplished and profoundly grateful for the community that makes this work possible. Looking ahead, we are excited to continue building a brighter future through new programs, improved spaces, and lasting care for every animal who finds safety within our doors.

Bethany Clark

BETHANY CLARK
BOARD PRESIDENT

OUR MISSION & VISION

Town and Country Animal Rescue is dedicated to the welfare of animals through rescue, rehabilitation, education, and community support. **Our mission, “saving lives, connecting people and pets” guides every aspect of our work.** We strive to create a safe, nurturing environment for every animal in our care while fostering responsible pet ownership.

Since 1983, we have been a pillar of support for homeless pets, offering them safety, care, and the chance to find loving homes. As a recognized 501(c)(3) nonprofit organization, our commitment to animal welfare continues to drive our mission forward, making a lasting impact on pets and the people who love them.

We envision a community where every animal has access to safe, compassionate, and comprehensive care. Through innovation, collaboration, and unwavering commitment we aim to transform the lives of animals and the people who care for them.

OUR PROGRAMS

At Town & Country Animal Rescue, every day is an opportunity to save lives, foster compassion, and strengthen our community. Through our programs, we are transforming the lives of animals and the people who care for them.

Adoption Program – Creating Families

Every adoption is a life changed. When a pet finds their forever home, it's not just a happy ending, it's a new beginning. Each adoption reduces the number of strays in our community, keeping animals safe, healthy, and loved. By carefully matching pets with families who can provide the care and attention they need, we create lasting bonds that transform both human and animal lives.

Animal Boarding

Our Town & Country boarding facility offers pet owners a safe, trusted place to leave their animals—giving them peace of mind while they're away. This service not only strengthens our bond with the community but also contributes directly to our financial health, helping fund core operations and future growth.

Volunteers and Foster Community

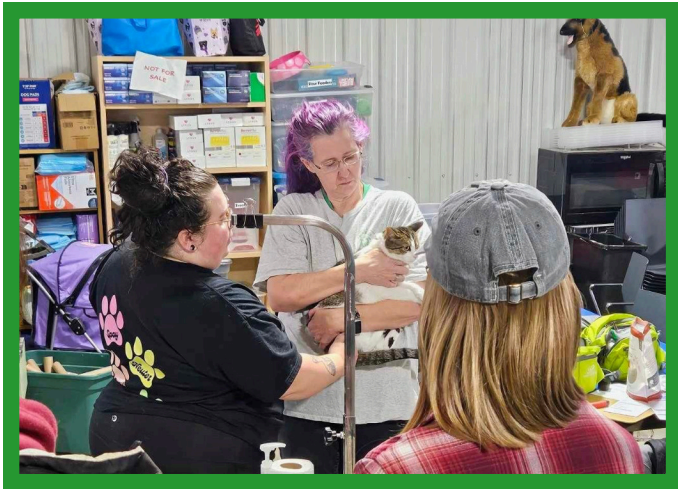

Volunteers are the heart of Town & Country. Their dedication fuels our mission and allows us to care for more animals every day. Beyond their service, volunteers experience meaningful connection, a sense of purpose, and improved physical and mental well-being. Being part of this compassionate community benefits both animals and humans.

OUR OUTREACH

Education & Outreach –Community Empowerment

Through workshops, school visits, and community events, we teach responsible pet ownership, compassion, and humane values. Education helps prevent abandonment and reduces the number of strays, creating a safer, kinder environment for animals. By inspiring students and families to take action, we foster a community where humans and animals thrive.

Chip n' Clip Clinics

Our low-cost clinics provide essential services to pets in our community. By offering affordable microchipping, nail trims, and vaccinations, we help families keep their beloved pets safe, healthy, and at home where they belong. These clinics reduce the number of unvaccinated and unprotected animals in our area and remove financial barriers for pet owners.

Wendy's Pet Food Pantry

Twice a month, our Wendy's Pet Food Pantry gives families the comfort of knowing their pets won't go hungry. Every bag of food handed out means one more pet stays in a loving home and out of the shelter. It means families don't have to make heartbreaking choices when times are tough.

PROGRAM HIGHLIGHTS

Adoptions

295 animals found loving homes, from shy kittens to anxious dogs who are now thriving with extra care. Every adoption is a new beginning and a happy ending.

Foster Program

185 animals were welcomed into devoted foster families who opened their hearts and homes. These animals are in need of extra medial attention, rehabilitation and emotional support. Our foster program gives them comfort and stability during their transition to care.

Volunteers

Over **6,500 volunteer hours** contributed annually, providing hands-on animal care, event and marketing assistance, and office support.

Community Education

55 community workshops and adoption events were held in the community, teaching empathy, responsible pet ownership, and providing low cost access to animal vaccinations for the community to keep their pets safe and healthy.

Wendy's Pantry and Chip n' Clip Clinics

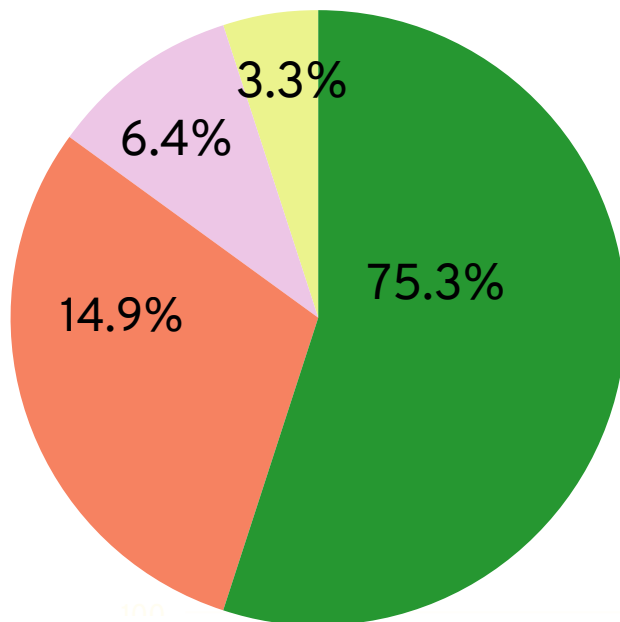

These programs serve over **850 community members and 1500 animals** annually, ensuring that beloved animals receive essential vaccinations, permanent identification through microchips, and consistent access to food and pet supplies.

All of these numbers tell a story, but more importantly, every animal cared for represents a life changed, and a community that cares deeply.

FY 2024/2025 FINANCES

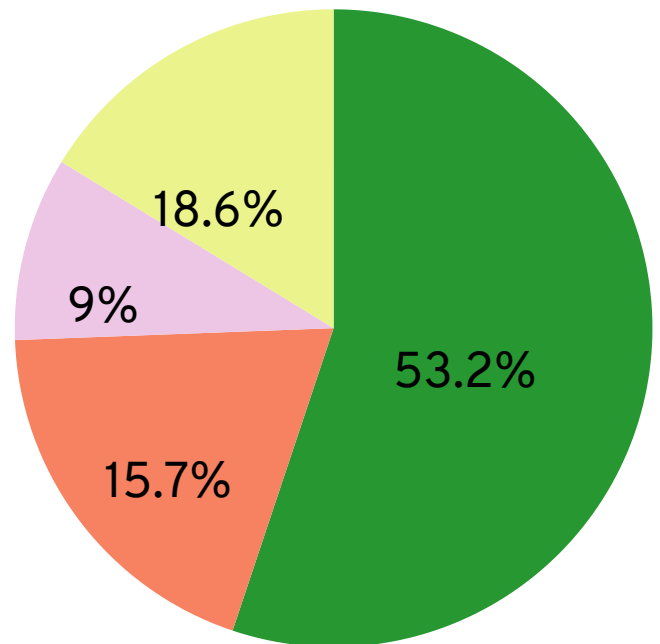

REVENUE

TOTAL RAISED:
\$435,838.59

EXPENSES

TOTAL SPENT:
\$ 432,668.98

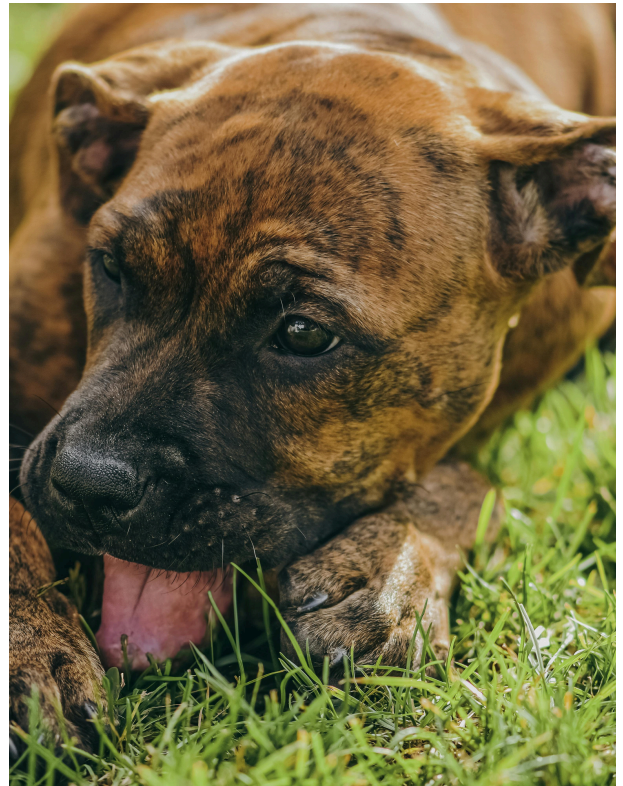

“Town and Country is committed to transparency and responsible stewardship of every gift we receive, ensuring that donor support is used effectively to advance our mission.”

OUR SUCCESSES

Lovey will be loved forever! She will be the queen of her new castle. She had a rough start being abandoned in the rain, but thanks to our amazing volunteers working with her, she has come out of her shell. Thank you! - Jennifer

“Delilah is doing fantastic! She has really come out of her shell since coming home and we've gotten to see her goofy side. We take her to the Urban Hound dog bar multiple times a week, where she loves playing with the other pups. Delilah is so sweet and has been very well behaved. I've attached a few pictures. We couldn't imagine life without her!”

Manon is fitting in great! Her and my inherited cat, Athena love to play. She also really enjoys laying with my rottie, Ahna. That one took a few weeks til she got comfortable. haha She's helping me recovery from knee replacement! - Bridgett

OUR FUTURE

As we look toward the future of Town and Country Animal Rescue, one thing is clear: our animals, and our community, deserve more. For years, our dedicated staff, volunteers, and supporters have worked tirelessly in an aging facility that has served us well, but no longer meets the growing needs of the animals in our care. Winters bring freezing pipes and urgent calls for water donations, and crowded spaces limit how many lives we can save.

Our animals deserve a shelter that can provide not only shelter, safety, and medical care, but also dignity, comfort, and opportunities for enrichment. Our staff, volunteers, and community deserves a safe facility with room to train, educate, and grow. We are excited to share that the first phase of our transformation begins in November 2025 with the construction of a brand-new dog kennel facility. This milestone will provide a safe, warm, and healthy space for dogs in need and marks the first step in our long-term vision.

Our dream is to grow into a state-of-the-art animal care and education center. A space where we can expand services like our popular Chip N' Clip clinics, host educational programs, and better serve families and pets across the region. With your continued support, we will not only meet today's challenges, but also build a future where every animal who comes through our doors has the best chance to thrive. We are endlessly grateful for your supported and deeply excited for the journey ahead.

**WE COULDN'T
DO IT WITHOUT YOU!**
