

Town and Country **HAPPY TAILS**

FALL 2025

Changing Seasons, Changing Lives

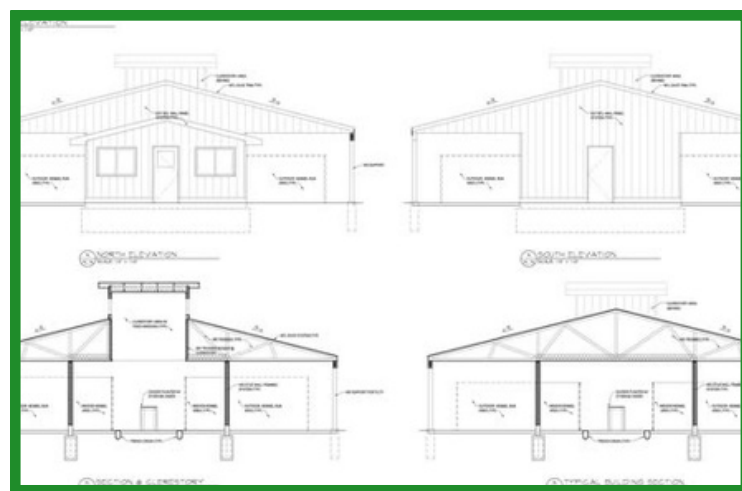

Dear Friends,

Fall is here- cooler days, colorful leaves, and plenty of tail wags at Town and Country.

Plans are underway for our **New Dog Kennel Facility**, which will be breaking ground November, 2025. This first step is a series of upcoming improvements that will provide:

- Cleaner, healthier spaces for our animals waiting for their forever homes.
- Safer, more durable housing to withstand weather and daily use.
- A more welcoming, functioning environment for staff, volunteers and visitors.

This project is so much more than bricks and mortar, it's about creating a space that matches the level of love and care our community has shown for decades.

Even while planning for the future, we've kept busy serving pets and families in our community.

Wendy's Pet Food Pantry - keeping pets fed and families supported all year long.

Chip N' Clip Clinics - Microchips, Vaccinations, and nail trimming continues to help families keep their pets safe and healthy.

Adoptions and Fosters - From puppies to senior pets, so many happy tails are heading into their forever homes this fall.

Thank you for walking this journey with us, through every season, storm and success. Here's to building a brighter future for the animals we all love.

Whiskers and Giving	
Gala.....	5
How You Can Help.....	6

Meet Sim Sim! This beautiful 5-year-old long-haired gentleman is turning heads with his silky coat and gorgeous green eyes. Sim Sim is a quiet observer, taking in the world with thoughtful curiosity. He may be reserved for now but give him a gentle pet and you'll make a new friend. He loves his pets, soft strokes and kind words go a long way with this sweet boy. If you're looking for a calm, elegant companion who will quietly steal your heart, Sim Sim might just be your match.

Available Small Animal Spotlight

OTIS AND TEDDY

Meet Otis and Teddy! They are sweet, bonded male guinea pigs who are looking for their forever home together.

Guinea pigs are lovable pets with so much personality! Our small animal team is always at the ready to talk more about our adoptable guinea pigs and their care.

Available Dog Spotlight

HANK

Meet Hank! A high-energy, water-loving yellow Lab with a big heart and even bigger zoomies! Hank is all about playtime, splashing in the water, and showing off his strength and enthusiasm for life. He's mouthy, jumpy, and full of puppy antics, but don't let that fool you, this guy is also super smart and making awesome progress in his training.

Hank is learning how to channel his excitement into good behavior, and with consistent guidance, he's showing just how capable and eager to please he really is. He'll thrive with an active family who can keep up with his energy, continue his training, and give him lots of chances to run, play, and of course...swim!

If you're looking for a fun, loyal, and spirited companion, Hank's your guy. He's a wild child with a heart of gold and all the potential in the world.

Volunteer Spotlight

JILL BRETZ

I was inspired to volunteer at Town and Country after we brought my son to drop off some donations last February. We got to visit the cattery and I loved that the cats were able to roam freely throughout the building. I'm a crazy cat lady, so the idea of getting to hang out with tons of cats seemed like a fun time (and it is)! I do a little bit of everything in the cattery from scooping litter boxes to helping collect lab samples.

I have 3 cats of my own. Squeakie is my first baby. She is 12 years old. I found her when she was about 3 weeks old and she was in rough shape. I bottle fed her and nursed her back to health. We have done a lot of growing up together in the last 12 years. King Louis is 9 years old. I found him when he was about a year old. He was living in a McDonald's dumpster in Minot, ND. He still has a French fry complex.

Tito is our newest addition to the family and she is from Town and Country! She is very quirky and is best buddies with my toddler. They like to cause a lot of mischief together. My favorite part of volunteering is the atmosphere of Town and Country. I love that the cats are not rushed out the door and that making sure they find the right home is a top priority. I enjoy meeting with visitors and helping them find a cat that is perfect for them. It's so fulfilling to send the cats home with people who have thoughtfully selected them instead of only picking them based off of their photo. Thank you all for letting me join the Town and Country family. You have no idea how much it has helped my mental health. This has truly been a blessing.

HAPPY TAILS FROM HOME

"We adopted Calliope (now known as Tito) in August... She blended with our family so well.

Tito has fit in seamlessly with our little family and we can't imagine life without her. She loves snuggling and playing with her new 2 legged and 4 legged siblings. She has a special bond with our toddler and loves to be his partner in crime. She enjoys chasing matchbox cars, playing fetch with her plastic springs, and climbing the cat towers.

Thank you for connecting us with our newest family member!"

"Happy 4-year gotcha day to our Zayd! He is the goofiest guy with a huge personality. He loves his fur brother and keeps a watchful eye on his humans. He loves to play, cuddle up in blankets, and hunt for rabbits. We love him to pieces!"

"Attached are pictures taken today of Zeb (aka my little Zebbi) and his buddy Wilbur. I have had Wilbur for about 2 or more years and they bonded together almost instantly.

They still chatter at one another and Wilbur likes to be the boss sometimes, but they're buds. A little camera shy just like their Fur Baby Mama."

WHISKERS AND GIVING GALA

Venue Sponsor

Green Carpet Sponsors

Black Tie Sponsors

Don't miss out on our first-ever Whiskers and Giving Gala (WAGG) happening on November 8th! Join us for a magical evening at Aloft Omaha Aksarben, dedicated to celebrating our deserving rescue animals. Enjoy a night filled with:

- Delicious food catered by BeaconHills.
- Drinks, including a signature cocktail crafted especially for the evening.
- A Green Carpet walk featuring our adorable adoptable rescue animals.
- An exciting silent auction full of treasures.

We're beyond grateful for our incredible sponsors who make this event possible! A huge thank you to Aloft Omaha Aksarben, Groundworks, Fusion Medical Staffing, Lutz, Clark Wealth Strategies, Photography by Wilson, Unsweetstone Photography and Blair Small Animal Clinic for their generous support. Your commitment to our mission means the world! Want to join this amazing group of supporters? You can show your support through ticket and merchandise purchases. Your generosity makes a difference in the lives of our rescue animals! Visit our website to learn more about WAGG.

This event is limited to 100 guests. Purchase your tickets now on our website!

Why Your Support Matters

Thanks to amazing supporters like you, we continue our no-time-limit rescue mission, giving every animal a safe, loving home until they find their perfect “forever” family. Powered by passionate volunteers and a small team of staff, your generosity keeps us going strong. As a registered 501(c)(3) nonprofit, your ongoing support truly makes a life-changing difference. We’re so grateful you’re part of our rescue family helping us heal, protect, and educate every day.

How You Can Help:

- Make a one-time or monthly donation toward our general programs or new building fund.
- Sponsor a dog or cat kennel through our BARKS or PURR program.
- Share our mission with friends, family, and fellow animal lovers
- Ask your business to contact us about sponsorship opportunities.
- Volunteer your time and talents.

Together, we’re not just building walls, we’re building hope. Thank you for being part of this journey!

Save the Dates!

Oct 12–Nov 12: Fall food drive presented by Thrivent. Help fill our pantry!

November 2nd: Tatoo Fundraiser hosted by Sacred Heart Tatoo.

November 8th: Town and Country’s Whiskers and Giving Gala (WAGG)

November 15th: Town and Country will be traveling to Wichita Falls, TX to participate in Jordan’s Way, a nation-wide animal rescue fundraiser!

December 2nd: Giving Tuesday! Join this global movement to unleash the power of generosity.
