CALIFORNIA-HAWAII ELKS ASSOCIATION

Members of the California – Hawaii Elks Association:

During the past three years, our Lodges faced challenges from a pandemic which resulted in mandated Lodge shuttering, changes and restrictions in activities; member, public health, and safety requirements; all-volunteer help; revenue interruption; and changing business models. We met the challenges by having “Stepped up to a New Age”; by more deeply understanding that “The Future of Elkdom Began with Each of Us”; and that post-pandemic rebuilding would entail the importance of “*Building Elks’ Legacy: Lodge, Membership, and Community Service*”.

As your 2023-2024 Association President, I have taken very seriously the task of selecting a slogan for this Elk Year. It is a phrase that, I believe, will help to define more clearly our new normal, while recognizing and acknowledging the heroic work achieved by our recent Past Association Presidents Tim Jaeger, Jay Larkins and Brad Smith. I believe that this theme will help to inspire, encourage, and lead all of us to stay focused and achieve our expectations. I have chosen our slogan for this year: “BEAR to be part of your TEAM” Business Emphasis, And Retention.

More members have taken the action to step up with their volunteerism. Some work on Committee assignments and events; some perform landscape work; some regularly cook and serve drive-through fundraising dinners. There are volunteer bartenders or those helping with banquet service, and some do janitorial or building-improvement work. Some help with office work or volunteer on phone trees to schedule other volunteer members and families.

First, Business: As we begin our 109th Association year, we are building a stronger foundation that will continue to make our Association the leader in membership, supporting the finest Major Project in our Order and continuing to honor and support all our Veterans.

Second, Emphasis: We are each a vital part of our community. Our membership in the Benevolent and Protective Order of Elks (Best People On Earth) gives us the opportunity to *pay it forward* through its volunteer programs, ensuring continued Lodge health and sustainability.

Finally, Retention: Begins with your Team – WE need *EVERYONE’S* help with this part. I am asking each of *You* to sponsor at least one New Member who is willing to volunteer and give back to his/her community. I am asking *You* to take that next step to make the Future of Elkdom even brighter than in previous years. We are all involved in our Lodge programs that continue to demonstrate:

“BEAR to be part of your TEAM”
Business Emphasis, And Retention

Warm Fraternal Regards,
