Wit & Wisdom

It wasn't the storm that caused Peter to sink – it was his doubt.

When God closes a door, he may be protecting you not punishing you.

Grace means the worst chapter of your life doesn't define your whole life.

The smallest prayer can open the biggest door.

When the devil tries to make you feel like you've been forgotten, remember this, God has never misplaced a single one of His children.

You may be the only Bible someone reads today.

Obedience often proceeds understanding.

Remember this, God keeps a perfect record, nothing that you do for God will be forgotten.

Worry is interest that is paid on trouble before it is due.

God's work, done God's way, will never lack God's supply.

Don't be busy, be fruitful.

God's plans are always better than our plans.

Faith doesn't make things easy it makes them possible.

Always trust God's timetable.

REVELATION

Join with us Wednesday Nights as we Study through the Book of Revelation. I encourage you to attend and study with us!

The preacher said, "I'll be brief." And the congregation prayed harder than ever.

Some people are kind, polite, and sweet - until they sit in your Pew.

A lot of people's minds are like concrete – thoroughly mixed and permanently set.

A Christian is kind of like a teabag, you don't know how strong it is until you put it in hot water.

If you really think nobody cares – try missing a few car payments.

Patience is what you have when there are too many witnesses.

If you think you're too small to matter - try sleeping with a mosquito.

Laughter is the best medicine – unless you're in church during prayer time.

If you can't laugh at yourself – call me, I will.

The difference between ordinary and extraordinary is a little extra.

Every day is a gift – use it wisely.
