### From Our Pastor:

God's Word provides the only sure foundation on which to build the life of your family. On behalf of our church family at Philadelphia Baptist Church, we consider it an honor to have you with us this Lord's Day! We extend an invitation for you to come home to Philadelphia Baptist Church.

"Did you ever notice," asked an old lady, as she smiled into the troubled face before her, "that when the Lord told the discouraged fishermen to cast their nets again, it was right in that same old place where they had been working all night and had caught nothing? If we could only go off to some new place every time we get discouraged, trying again would be an easier thing. If we could be somebody else, or go somewhere else, or do something else, it might not be hard to have fresh faith and courage. But it is the same old net in the same old pond for most of us. The old temptations are to be overcome, the old faults to be conquered, and the old trials and discouragements which we failed yesterday must be faced again today. We must win success where we are if we are to win it at all. It is the Master Himself who, after all these toilsome, disheartening efforts that we call failures, bids us, 'Try again.' "

Unbelief is akin to Atheism.

## Wit & Wisdom

"Will you please tell me in a few words," said a Christian woman to a Pastor, "what you think 'consecration' means?" Holding out a blank sheet of paper, the Pastor replied, "It is to sign your name at the bottom of this blank sheet and let God fill it in as He wills."

**Some of the most blessed words every spoken by Jesus were; "I have prayed for thee."**

Jesus was the Servant of servants even while He was King of kings.

When I first understood that the Lord looked on me with love in the midst of my sin, it did seem so wonderful!

***Satan has an intense desire to destroy thee.***

The mercy is, that the power that God gives is a power that the devil can neither defeat nor take away.

***The best of men are but men at the best.***

Of all the troubles a godly man can have, a dreary Lord's Day is among the worst.

Men have their flaws – even as the sun has its spots.

*If a man is always strong, how can he sympathize with God's weak and afflicted people?*

Is the path to thy secret place of prayer overgrown?

***There is no sleep in hell.***

The sooner your end comes to all self-righteous attempts to obtain salvation, the better.

A MAN TRYING TO SAVE HIMSELF IS LIKE A PRISONER ON A TREADMILL, FOREVER RUNNING, BUT NEVER GETTING ANYWHERE.

The door to the Ark was a big door. There was room for the hare to go through, and room for the snail to go through. There was plenty of room for the elephant when he came marching along. If you are an elephantine sinner, the door is big enough for you to come!

If you cannot say, "I am a sinner, I am guilty." Then farewell to all hope, for Jesus Christ came into the world to save sinners.

Many men believe that the Bible has run its course, and has become like an old almanac that is done with.
