From Our Pastor:

God's Word provides the only sure foundation on which to build the life of your family. On behalf of our church family at Philadelphia Baptist Church, we consider it an honor to have you with us this Lord's Day! We extend an invitation for you to come home to Philadelphia Baptist Church.

I've learned - that it takes years to build up trust, and only seconds to destroy it.

I've learned - that it's not what happens to people that's important. It's what they do about it.

I've learned - that no matter how thin you slice it, there are always two sides.

I've learned - that it's a lot easier to react than it is to think.

I've learned - that you can keep going long after you think you can't.

I've learned - that heroes are the people who do what has to be done when it needs to be done, regardless of the consequences.

I've learned - that learning to forgive takes practice.

I've learned - that there are people who love you dearly but just don't know how to show it.

I've learned - that just because someone doesn't love you the way you want them to, it doesn't mean they don't love you with all they have.

Give Thanks in all Things!

Wit & Wisdom

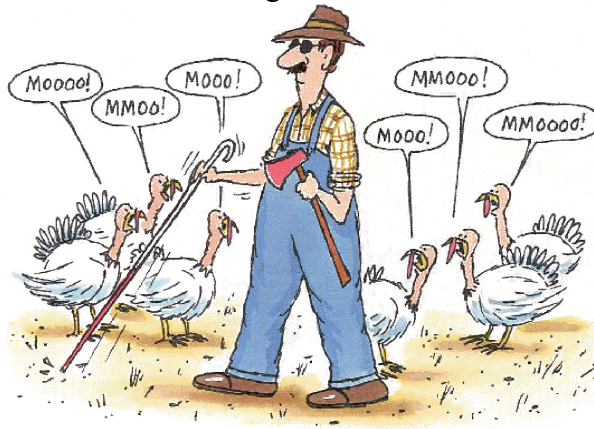

It is not what you have in your pocket that makes you thankful, but what you have in your heart.

There's one thing for which you should be abundantly thankful – only you and God have all the facts about yourself.

Even while we don't have all we want, we ought to be thankful we don't get what we deserve.

If you have nothing for which to be thankful, make up your mind that there's something wrong with you.

Even a mosquito doesn't get a slap on the back until it starts working!

WOMEN'S REVENGE

'Cash, check or charge?' I asked, after folding items the woman wished to purchase. As she fumbled for her wallet, I noticed a remote control for a television set in her purse. 'So, do you always carry your TV remote?' I asked. 'No,' she replied, 'but my husband refused to come shopping with me, and I figured I would get even with him.'

UNDERSTANDING WOMEN (A MAN'S PERSPECTIVE)

I know I'm not going to understand women. I'll never understand how you can take boiling hot wax, pour it onto your leg, rip the hair out by the roots, and still be afraid of a spider.

POINTS TO PONDER

My idea of housework is to sweep the room with a glance!

Life isn't about waiting for the storm to pass...it's about learning to enjoy the rain.

Does your train of thought have a caboose?

Sometimes I wish my mouth had a backspace key. You can't stay young forever; but you can remain immature for life.

Do cemetery workers prefer the graveyard shift?

Two antennas met on a roof, fell in love and got married. The ceremony wasn't much, but the reception was excellent.
