

NO DATACENTER IN SOUTH WHITEHALL

Protect Parkland High School and our Community!

- ⊗ Increased respiratory and cardiac health risks¹
- ⊗ 5 Million sqft data center across the street from Parkland High School
- ⊗ Increased truck traffic on Mauch Chunk Rd
- ⊗ Impact to the Jordan and Coplay watershed
- ⊗ Avg **electrical rate increases 93% – 267%**² following data center construction
- ⊗ Increased air and noise pollution from **356 onsite diesel generators**
- ⊗ Declining property value
- ⊗ Loss of the largest tract of agricultural land in South Whitehall
