Instructions for stars.

The awarding of any ribbons can only happen once per semester. You can't combine two semesters to equal one ribbon.

To be worn on the Honor Cadet ribbon by each cadet who has also achieved an "A" in naval science as follows:

Bronze Lamp - NS-1

Silver Lamp - NS-2

Gold Lamp - NS-3 and NS-4

The lamp device is also used to denote the level of achievement in the semi-annual Cadet Challenge for the Physical Fitness Ribbon.

The gold anchor is worn on the following ribbons—Drill Team, Color Guard, Academic Team, Marksmanship, Physical Fitness, and Orienteering—by the cadet who is the present leader or team commander of the group. This ribbon with anchor is worn on right side of the team commander's chest.

In addition, the cadet who is selected as the commanding officer of the NJROTC unit will attach a gold anchor to the Unit Service ribbon and wear the ribbon on the right side of his uniform.

Ribbon, anchor, and any other awards earned previously are to be worn on the left side of the chest in regular order of precedence by the cadet who was a previous unit commanding officer, team leader, or commander of a group.

Subsequent awards may be worn on ribbons 1 through 7, and 12 through 26. No more than eight awards (including the original ribbon award) are authorized.
