**AFTERSCHOOL
TUTORING 4 YOU**

Congratulations on your decision to prepare for higher education. As we all know, standardized testing can be one of the biggest challenges in getting to the next level. It helps to prepare early and to get familiar with the most commonly tested concepts. Adopting a strategy that help you manage time effectively, both in the preparation and it the test center environment, will also give you advantages.

This affordable program aims to help students overcome confusing material and improve their overall readiness.

Beginning on Saturday, November 3rd, and Sunday, November 4th respectively, each weekend sessions will be conducted for registered participants only. Each student must have a laptop with a charger and a calculator. Each session is 2 hours, from 2-4PM and costs \$30.

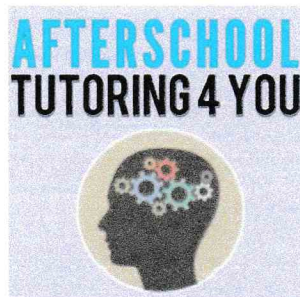

Please be aware that no refunds will be given, but in the event that a session is cancelled, you will be notified in advance of the rescheduled date. Please be advised that AfterschoolTutoring4You (AST4Y) makes no claims of actual scores and is not affiliated with ACT, Inc.

We ask that your student comes prepared and on time so that each session is productive and informative.

Very truly yours,

Diana R, (AST4Y Founder)
