

Flushing Athletic Boosters

ABOUT US

We are a non-profit organization that provides, support to the teams, coaches, and athletes at Flushing Community Schools. We raise money for the sole purpose of giving it back to the athletic programs.

We provide financial support for ALL Flushing sport teams.

Each year proceeds from booster fundraising and concessions activities are donated to the Flushing Schools Athletic Program. The Booster Parents decide how the money is spent.

Overall, the money raised is going to expanding and building out our athletic complex. We estimate our overall need to expand our athletic complex will be +/- \$6 million.
