Dear Fellow Residents:

I would like to acknowledge the efforts of Lee Israel who tirelessly served our Village as Mayor for the last 10 years. As you may know, Lee has sold his home and unfortunately has had to relinquish his position on our Village Board. As Deputy Mayor, I have seen “firsthand” Lee’s unwavering commitment to his role. Under his stewardship, the Village has thrived, and we thank Lee for making Woodsburgh a better place.

Upon Lee’s resignation and upon his recommendation, the Board has voted to appoint me and Alan Hirmes as “Mayor” and “Deputy Mayor” for the remainder of Lee’s term. I am honored to assume the role and work with Alan, the rest of our Board (Carl Cayne and Shira Hoschander) and our excellent Village staff to continue making Woodsburgh a wonderful place to live.

The Board has asked Lee to assume the role as Commissioner of “Strategic Planning and Special Projects”. This newly created position allows for Lee to continue involvement with the Village in an advisory role to assist in supporting the Board on several important matters that the Village is involved with.

Our goal is to continue making Woodsburgh as good as it can be. We welcome our residents’ involvement, perspective, and input for the betterment of our community. We encourage residents to become involved by attending our monthly meetings and letting us know of any concerns that may arise. There is work to be done, however we are confident that the current Board will work cohesively to address any challenges and achieve our goals.

To our residents celebrating Rosh Hashana, the Board & I would like to wish you & your family a Happy & Healthy New Year!

Best Regards,

Jake Harman
Mayor
