August 14, 2024

Dear Residents,

Our regularly scheduled meeting of the Board of Trustees will be held on Monday, August 19, 2024 at 6:00 p.m. at Village Hall. Along with our regular monthly business, this meeting will also include a scheduled meeting of the Planning Board.

As previously communicated, we are in the final stages of the Village Road Program scheduled to be completed before the end of August. The milling phase which prepares the roads for paving is scheduled to start on Friday August 16 and is expected to take 2 to 3 days. Once the roads are ready for paving, a schedule notice will be provided by the contractor to residents affected by the paving together with a phone notification by the Village, so that you will have time to arrange to move your vehicles. We apologize for any inconvenience that this may cause.

Once again, we welcome your attendance at the meeting and as always, should you have any questions or matters you would like addressed, please do not hesitate to contact Village Hall.

Very truly yours,

*Jake Harman*  
Mayor
