JACOB HARMAN, MAYOR

October 20, 2023

Dear Neighbors:

I hope everyone enjoyed the holidays. We are pleased to advise that this month's meeting will be held on **Monday, October 23, 2023 at 7:00 p.m.** at Village Hall. As always, your attendance and participation is welcome.

It has been brought to our attention that a number of residents may not be adhering to traffic and stop signs in the village. Instances where individuals have been running stop signs or driving in the opposite direction on "one way" streets have been noted. This can pose a dangerous situation to other motorists, bicyclists and pedestrians. We understand that local law enforcement will be monitoring traffic and issuing summonses if they see these infractions...... For the safety of our residents, we ask all residents to please adhere to the Village traffic signs.

At this time of year, we ask that residents remind their gardeners to keep the roads free of fallen leaves and branches. All leaves and debris accumulated along property lines, should be gathered and removed. We appreciate your cooperation in this matter as it will assist the Village in maintaining and properly sweeping the streets for the upcoming winter months.

We are now into the last phase of the National Grid Upgrade. All the roads involved in this program will be fully paved at the conclusion of the program and we are hoping to have this completed by end of year or early spring at the latest. Thank you for your patience during this program.

Very truly yours,

Jake Harman
Mayor
