April 14, 2023

Dear Neighbors:

The next meeting of the Board of Trustees will be held on Monday, April 17, 2023 at 7:00 p.m. at Village Hall. We welcome all to participate.

With spring upon us, gardeners are once again active in beautifying properties in the neighborhood. Please remember that work cannot be performed, nor equipment operated prior to 8:00 a.m. Additionally, kindly remind your landscapers that they require an annual permit, which can be obtained at the Village Hall. These regulations are intended to maintain the charm and serenity of our village and we sincerely appreciate your cooperation.

In keeping with that theme...The Village once again contracted to purchase the hanging flower baskets that will be arriving in May.

As advised in our recent communications, there have recently been a few crimes of opportunity in another village. **Please do not leave your keys or valuables in the car or your car unlocked and remember to alarm your home before exiting and lock all windows.** Also be aware not to leave your garage opener in the car, especially unlocked cars as this is even more dangerous by providing entry into your home. Safety is a primary concern and we encourage all residents to take precautions to protect against these type of crimes.

Very truly yours,
