

## Commercial Service Plans

### COMMERCIAL – 1X PER WEEK

**Base rate: \$450 / month**

- Water testing & chemical balancing
- Surface skimming & debris removal
- Brushing as needed
- Skimmer & pump basket cleaning
- Vacuuming when conditions allow
- Visual equipment inspection

**Typical Use: Low-traffic or non-heated pools**

### COMMERCIAL – 2X PER WEEK

**Base rate: \$700 / month**

Includes all 1× services with increased monitoring, debris control, and chemical stability.

**Typical Use: Standard HOA or moderate-use facilities**

### COMMERCIAL – 3X PER WEEK

**Base rate: \$950 / month**

Includes all 2× services with maximum monitoring for high-traffic commercial pools.

**Typical Use: Apartments, fitness centers, resort pools, high-use HOA pools**

### AUXILIARY WATER FEATURES

Standalone spas, fountains, or decorative basins are **not included in base pool service plans** and require separate authorization and pricing.

### SERVICE NOTES

Service demand may vary based on bather load, heated pool operation, environmental debris, equipment performance, and water loss/refill cycles.

### EXCLUSIONS

Filter cleanings, specialty chemical treatments, equipment repairs, diagnostics, drain/refill services, tile cleaning, or restoration services unless separately authorized.

The Commercial Service Agreement governs all services.
