Light & Bouncy

A In the sky or in the muck, I'm such a hap-py duck. Rain-bow up a-bove me, can't be-

lieve my luck. Life is an ad-ven-ture, it's won-der-ful to me.__ A duck is

B what I love to be. When some think the wea-ther's yuck-y, I'm still a hap-py duck-y,

grey skies are as beau-ti-ful as blue to me. It's just your point of view...__ y'-see!

C I've nev-er seen a blu-er sky, or a bright-er but-ter-fly. The

sun is shin-ing way up high just to warm me. Ev'-ry-day I can't wait to see what life has in

D store for me.__ All of na-ture's a won-der, in sun-shine and thun-der. The

Ev'-ry day I am thank-ful, the life I live is tran-quil. I'm

world is so love-ly it makes my heart fly.__ What a luck-y, luck-y duck

grate-ful for the rain and for the bright blue sky.__ What a luck-y, luck-y duck
