Meeting Announcement:

Bring along any uncut tuber clumps and/or dahlia questions and join us April 13 from 11-2 for a tuber cutting demonstration. We will discuss growing plans for the year. We will also be accepting tuber donations at that time for our April 27th sale.

Where? Mt. Lebanon Park, Pavillion 1 (sits furthest back in the park; near the upper playground)

We have a May sale location!

We will host our dahlia tuber and plant sale at Mt. Lebanon Uptown Market (Washington Rd, across the street from Washington Elementary School) on May 25th from 9-Noon. Donations of labeled tubers for the sale will be accepted that morning, or contact us and other arrangements can be made.

Also, help us get the word out! We want everyone in the Pittsburgh region to know and grow our favorite flower!
