About L6nrg Montana I, L.P.

[L6NRG Montana I, L.P.](#), is a Delaware limited partnership, managed by L6NRG, LLC, a Montana Limited Liability company, engaged in the business of oil and gas exploration and production of oil and natural gas properties primarily in the Bakken and Three Forks formations within the Williston Basin in North Dakota and Montana. L6nrg Montana I, L.P. has been structured to allow investors to participate into such exploration with lower risks and to benefit from the attractive tax treatment reserved by the US Tax Code to investors in the Oil & Gas Industry

About L6NRG:

[L6NRG](#) is an independent energy company engaged in the acquisition, exploration, development and production of oil and natural gas properties, primarily in the Bakken and Three Forks formations within the Williston Basin in North Dakota and Montana. We believe the location, size and concentration of our acreage position in one of North America's leading unconventional oil-resource plays will provide drilling and development opportunities that result in significant long-term value. Our primary focus is oil exploration and production through non-operated working interests in wells drilled and completed in spacing units that include our acreage. As a non-operator, we intend to diversify our investment exposure by participating in a large

number of gross wells, as well as entering into more project areas by partnering with numerous experienced operating partners. L6NRG is based in Bozeman, Montana. please visit www.L6nrg.com
