

WEST INDIES VALVE AND MACHINE WORKS CORP. OVER 50 YEARS OF EXPERIENCE SERVING PUERTO RICO AND THE CARIBBEAN

Established in Puerto Rico in 1968, WEST INDIES VALVE CORP., was the first, and still is, the only facility and reliable source devoted to reconditioning of all valves, regardless of brand, type, or size. From its onset it has concentrated all efforts to serving the process industry in Puerto Rico and the Caribbean.

OUR CUSTOMERS

West Indies Valve Corp., has served refineries, dairies, distilleries, bakeries and sugar, canning, preserving, paper, beverage, textile, sewage treatment, water purification, power plants and many others.

WARRANTY

West Indies Valve Corp, guarantees that every valve that is brought to its facilities for repairs is disassembled to its smallest components, cleaned, inspected and all critical dimensions verified following the valve manufacturer's recommendation and in strict compliance with both ASME and the NBCI codes.

VR NO. 530

Being a National Board of Boiler Inspectors VR stamp holder (VR No. 530) our company and shop facilities have been subjected to many audits and reviews by the National Board and renewed our certificate for the use of VR stamp on every occasion.

OVER 50 YEARS OF EXPERIENCE

The secret of our long history of success is the expertise and accumulated experience of our key personnel, some of them with over 30 years of experience, faithfully devoted to excellence in valve repair services; with ready access to the know-how of the leading manufacturers of valves and other process equipment.
