

Concord SLife High School Mission Trip
Street Reach Memphis * July 19 - 24, 2026

Purpose

Provide high school students (having completed 9th grade through 12th grade) an immersive week-long service opportunity. As a follower of Jesus, ministry to others is a natural outcome.

Partnership

Memphis Street Reach is a ministry of Brinkley Heights Baptist Church. Through partnerships with church student ministries over more than 30 years, this church has been able to have a lasting impact on a challenging neighborhood in Memphis.

Daily Ministry

The mission trip's primary daily project is a morning children's Bible Club which takes place in a neighborhood park. The afternoons offer various other ministry opportunities and the evenings are primarily a time of worship, message, and group devotions. One night is set aside for a group activity and outing.
