## EMBRACING THE LIFE OF A CHRIST-FOLLOWER

+  
LESSON 6

Dear Parents,

God desires to use you in a powerful way to help your teenager grow as a disciple of Jesus. Thanks for your continued commitment to helping them connect with the truth that they hear in small group! This past Sunday, we talked about the role of the Holy Spirit in helping us grow as disciples of Jesus. We hope your teenager connected with the message and continues to grow as a result of it. We gave our students a basic understanding of the Holy Spirit and three practical ways that He moves in their lives: helping us understand God's Word, convicting us of changes we need to make, and prompting us to minister to others.

### We looked at the following Scripture passages:

- Romans 8:5-11
- John 14:15-17

Take a look at these passages and see how God desires to work in our lives through the power and presence of the Holy Spirit.

### NEXT STEPS . . .

During the next week as you have time to talk with your teenager, consider asking the following questions:

- Talk about a time when you felt the presence of the Holy Spirit in your life and how it changed you. Then ask your teenager, when was the last time they felt the presence of God in their life?
- How has the Holy Spirit helped you become a more mature disciple of Jesus? How has He changed you from the time you met Jesus to today?
- Can you think of a way that the Holy Spirit has moved in our family in the past year?

Thanks for partnering with us on this spiritual journey for your student! If you have questions about anything, please don't hesitate to call me.
