ABOUT ALLIED ALLIANCE

At Allied Alliance, we provide specialised mobile Physiotherapy and Registered Nurse services for Aged Care and NDIS clients. Our experienced, hospital-trained clinicians are dedicated to improving mobility, strength, and overall physical function. We help Aged Care clients manage chronic conditions, alleviate pain, prevent falls, and promote long-term well-being. For NDIS participants, we offer personalised rehabilitation to improve motor skills, coordination, and daily activities, empowering clients to achieve their goals and maintain an active, independent lifestyle.

EDUCATION

- **Bachelors of Nursing** | ACU
- **Masters of Public Health/Master of Health Leadership & Management** | UNSW
