## *About Us*

---

### *Handmade in Devon*

At the Handmade Kitchen Outlet, we are proud of our quality cabinetry, made by hand at our workshop in the heart of Devon.

Our passion is creating beautiful, elegant shaker kitchens and making the journey to owning one as simple as possible.

By buying direct from our workshop we can offer handmade quality kitchens at surprisingly low prices.

### *Our Design Service*

---

Our simple shopping list approach and guided design advice service makes specifying and designing your kitchen a truly simple and enjoyable process.

Your kitchen will be delivered fully assembled, with all internal components pre fitted, direct to your home by our in-house delivery team. So there's no waiting around for third-party couriers and fitters.

If you need help with designing your kitchen, we offer a full CAD design service for £299 from our expert design team to help you visualise the project and fine-tune your quote.

**If you have any existing plans that you'd like a quote for, please email [info@handmadekitchenoutlet.co.uk](mailto:info@handmadekitchenoutlet.co.uk)**

## *Our Philosophy*

---

*Our philosophy is built around simplicity:*

- *Browse our elegant range of shaker kitchens*
- *Measure your space*
- *Place your order*
- *Receive your fully assembled Kitchen*

## *Our Sustainability Credentials*

---

*Timber* - Our kitchens are made from Tulipwood which are sustainably sourced and FSC certified. Tulipwood is one of the most sustainable and low carbon softwoods on the market

*Paint* - Our low VOC water based primers insure our painting is as good for the environment as possible

*Cabinet Legs* - Our sturdy easy to adjust cabinet legs are made from 100% recycled plastic

*Heating* - We utilise our off cuts of wood to heat the factory during the winter months

We are local, so the carbon footprint linked to your delivery will be as low as possible. We also use the latest route planning software to ensure our deliver miles are kept to an absolute minimum.

# Handles & Knobs

Our kitchens are supplied primed in one of these colours as standard.

You are then able to apply a hand-painted top coat to the primed surface.

***Sprayed Finish***

We offer a sprayed finish of the top coat, if you would prefer not to hand-paint.

There is a 5% surcharge on the cupboard price for a sprayed finish.
