

# Unlock unlimited potential with the power of *The LiLi Key*!

The LiLi Key is bilingual and includes text in both English and Spanish!

Children who become LiLis can earn their own actual LiLi Key necklaces to begin unlocking books!

## The LiLi Key Book Summary:

Join lead protagonist LiBro Teca and his sister BibLi O. Teca on a journey through LiLand, "A place of creativity where anything can be," where they introduce readers to a team of real Superhuman Living Libraries, or **LiLis** for short, pronounced "Lee Lees."

LiLis are modern, upgraded, heart-centered bookworms on a mission to up-level the planet. They use special Keys to unlock many books. This helps them become their very best selves as the content they unlock is stored inside their own living books, which makes them literal Living Libraries!

LiBro reads the special **LiBook Activation Sequence**, a guided visualization that can turn willing kids into LiLis too. Kids will be invited to close their eyes and hug the book for a kinesthetic experience they'll never forget. If they feel any positive emotion, they just became a LiLi!

Join us on an adventure of a life time with *The LiLi Key*.

**Literacy \* Leadership \* Living Libraries**

***The LiLi Key is great for ages 7 to 14. For kids younger than 7, we suggest first reading ThePreLi Key, a prequel to The LiLi Key. The PreLi Key prepares children as young as 3 for when it's their turn to transform into a real Living Library for life.***
