UCGSA and BGSA members had a lot of fun teaching high school students over the summer! If you are interested in being an instructor next year talk to Tiffani or Julie!

Beach Day Social Event

7/6/2015

0 Comments

We are having a Beach Day on **July 26th**. The location will be **New Smyrna Beach**. We will be meeting at Julie's house so that we can carpool over to the beach. If you choose to drive separate you will have to pay for parking. Plan to be at Julies house no later than **9:15am**. It is highly suggested to carpool over to Julies to minimize all the vehicles and gas usage. Don't forget to bring some snacks or a lunch, as well as plenty of water and sunscreen. If you have a frisbee or other beach toys please bring them!

If you have any other questions and for Julie's address please contact our social events coordinator Andrew Towers, his email is andrew.towers@knights.ucf.edu

Bring the goodies and be ready to catch some major rays!
