LIBERTY BELL MIDDLE SCHOOL ORCHESTRAS

PRESENTS

6th Grade Orchestra

Impulses – Brian Balmages

A high-energy work driven by bold rhythms and sudden contrasts, Impulses captures the spark of inspiration in motion. Lyrical moments balance the intensity, creating a vivid musical journey full of momentum and expression.

Royal Feast – Chris Ferguson

Royal Feast evokes the grandeur of a medieval banquet with regal fanfares and lively dance-like rhythms. Festive and colorful, the piece brings the excitement and pageantry of a royal celebration to life.

Sailor's Song – Mark Williams

Flowing melodies and gentle swells in Sailor's Song suggest the motion and mystery of the sea. Warm and expressive, the piece invites performers to shape long lines that reflect both the calm and power of the ocean.

7th Grade Orchestra

Scottish Bobber – Larry Clark

Playful and folk-inspired, Scottish Bobber features bouncing rhythms and modal melodies reminiscent of Scottish dance traditions. Lighthearted and energetic, it captures the charm and spirit of the Highlands.

Luminescence – Alan Lee Silva

Luminescence explores the beauty of light through shimmering textures and glowing harmonies. Gradually unfolding sonorities create a reflective and expressive atmosphere filled with warmth and radiance.

Metallurgy – Doug Spata

Inspired by the strength of forged metal, Metallurgy features driving rhythms and bold accents that evoke hammer and anvil imagery. Powerful and precise, it delivers an exciting, high-energy close.
