

## Competition/Non-Competition Trip Contract Policy

Student participation in overnight field trips is at the discretion of Mrs. Lambert and Johnson City Schools administration. All school policies apply to all students at all times during trips.

### Refunds

#### **NO REFUND WILL BE GIVEN ON TRIP DEPOSITS**

This includes all competition/non-competition trips, (Science Hill, Liberty Bell, Indian Trial) and also applies to both student, adults (chaperones), and tag-a-longs if offered.

Refund checks not deposited or cashed within 180 from issue date will be forfeited and not replaced.

**Planning these trips start as much as a year in advance. When we accept deposits we then relay this information to the vendors we use such as hotels, bus companies, and competition/non-competition venues. The Guild is then responsible for payment on that number submitted.**

### Cancellation

Cancellations made within 90 days of any trip may be eligible for a partial refund of payment. This depends solely on the amount of money paid to vendors at the time of cancellation. **No refund will be given for initial deposit.**

Refund checks not deposited or cashed within 180 from issue date will be forfeited and not replaced.

### Payments

- Payments will be evenly spread over 3-4 installments. This depends on the trip, school, and estimated cost.
- Payments are due before or on the due date to hold a student's place for participation.
- **PAYMENTS WILL NOT BE ACCEPTED AT SCHOOL FOR ANY TRIP**
- **It is against Tennessee State Law for Mrs. Lambert to accept money from students for these trips.**
- **Do not** drop a payment off at the school office. The Guild Treasurer processes all payments and will not check with the school office for payments.
