SECURE, EDUCATE and INSPIRE

*** Our Mission***

To be a resource for cyber security education, awareness programs and technical expertise in our community.

To be a conduit through which (ISC)² members globally can reach the local community and empower students, teachers, business and the general public to be secure online.

To connect with and inspire others to join our chapter and to consider a career as an IT security professional.

*** Secure ***

Our goal is to make the cyber world a safer place for all of the residents of our community.

- Teaching Others to be Safe Online
- Form Partnerships with Public and Private Sector
- Collaborate on Cybersecurity Awareness Projects

*** Educate ***

Covering the private and public sectors, our goal is to be a resource for cyber security education and awareness for the entire community.

- Industry Expert Presentations
- Seminars/Workshops
- Educational programs for ages 5 - 11
- Other Events for all ages
- Curriculum Development
- Continuing Professional Education (CPEs)
