General Price List

Prices effective as of August 15, 2025
Subject to change without notice

The goods and services listed below are available to our customers. You may choose only the items you desire. However, please note that any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mandate the purchase of any items not specifically requested, we will provide an explanation in writing on the statement outlining the goods and services you selected.

Prior to drafting any contract for goods or services, the responsible party or the decedent's survivor who is handling the funeral arrangements is entitled to receive a copy of any pre-need agreement in the possession of the funeral establishment that has been signed and paid for, in full or in part, by or on behalf of the decedent.

Service Description

Price

Basic Services of Funeral Director and Staff and Overhead (included in package)

\$999.00

This basic charge includes 24-hour availability of staff and equipment, securing and recording vital statistics, obtaining authorizations and permits to comply with all state and federal regulations and arranging conferences with family or responsible parties. Also included in this charge are overhead expenses such as bookkeeping, accounting and any general clerical administration fees. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials and forwarding or receiving of remains).
