Pride in Luton supporters pack 2025

We are delighted you are considering supporting *Pride in Luton*. The event held in June 2024 hailed to be a huge success with regional and local media coverage and over 7000 people enjoying the event.

Pride in Luton is a LGBTQ+ led charity, which is truly inclusive and representative of Luton. We are proud Lutonian's, in more way than one!

We have a number of events throughout the year as well as social networking and a family-fun-filled *Pride in Luton festival* taking place on **Saturday 14th June 2025 from 1pm onwards**

The area will be filled with colour, light and love. The event will be both educational about the LGBTQ+ community and their history, whilst being entertaining and a grand day out.

Pride in Luton will help increase footfall back into the town centre and support economic growth in Luton, especially in the retail, culture and hospitality sectors.

Without your generous support, we will not be able to put on such a fantastic event or be able to continue to build an inclusive and cohesive community in Luton

We look forward to working with you on this exciting inclusive journey.
