Hi!

It is my pleasure to recommend Andrea Fayville and the coverage she offers with Globe Life! Andrea reached out to us in early 2021 and has been a true joy to work with. Her professionalism is refreshing.

The policies she offers are honestly better by far than the bigger plans with more exposure on the market. The policy offers an amazing supplement to myself and my employees and I am incredibly grateful for the piece of mind.

Andrea is incredibly responsive, informative, and dedicated to her work. She is knowledgeable in providing information and readily available to her clients. She made enrollment a breeze and has stayed in great contact with us all after the process. She is prompt and dependable which helps me feel comfortable offering this coverage to my employees. I know we are all in good hands!

Sincerely,

Renee Sales, The Sales Connection
