To Whom It May Concern:

I would like to take this opportunity to recommend the services of Andrea Fayville and the insurance coverages she offers with Globe Life, Family Heritage Division. We met Andrea about a year ago and decided to go with your coverage. She stays in contact with the company as well as the individual policy holder. We are very pleased with the professional manner with which she approached her job.

We were also very pleased with the quality options available to our employees and such a small cost. We hope no one ever has to use it, but the law of averages, as well as Murphy, say we will use the coverage at some point. We are grateful for Andrea because we have full faith that everything will be handled professionally and to everyone's satisfaction.

Between the professionalism demonstrated by Andrea and the great products with Globe Life, I feel confident that our employee's family's will be taken care of by the coverages purchased.

Sincerely,

Office Manager/HR Officer
