Comments: My fractured ankle and hospitalization left me in a rough place. I called Andrea from my hospital bed and her response was "on it" and she was. I never did another thing until she told me to check my bank account a couple weeks later. I was shocked to say the least. As someone who is self-employed and had to be out of work for 3 weeks, the benefits from Globe Life helped me stay on my feet when I literally couldn't. I am so thankful I made the decision to add supplemental financial protection.

(If necessary, please continue on the other side.)
