IMPORTANT NOTICE

1. UBUILD Modular Pergolas are not designed or manufactured to be installed as structural / load bearing products, used as a platform to be climbed, a structure to support any other product that is not supplied or manufactured by UBUILD MODULAR PERGOLAS, and if installed or used in this manner UBUILD Modular Pergolas are not warranted or liable to any damage or incursions made.
2. UBUILD Modular Pergolas are not to be constructed as a structural or load bearing product, and if installed or used in this manner UBUILD Modular Pergolas are not warranted or liable to any damage or incursions made. The Retractable roof does not form any part of the certified structure. We recommend the Roof is open during adverse weather.
3. UBUILD Modular Pergolas Aluminium structures are design certified and wind classed to an ultimate wind speed of 176kms per hour. Please check with your local Government Authority to determine if building approval or a permit is required.
4. UBUILD Modular Pergolas, as outlined in points 1, 2 and 3, and as such due to the nature of the product, fixed / permanent coverings added by the end user cannot be included and warranted under the warranty by UBUILD MODULAR PERGOLAS. This type of additional installation methods does not form part of a UBUILD Modular Pergola. Any installation of this nature during or after the initial installation voids the product warranty and installation warranty and remains the client's sole responsibility to potential product liabilities. The maximum beam span without an intermediate post is 4500mm.
5. UBUILD Modular Pergolas, as quoted are inclusions of product items for that defined installation based on information put forward by the end user. It is the end user's responsibility to ensure that all products manufactured and supplied by UBUILD MODULAR PERGOLAS are suitable for their property or usage. By purchasing any UBUILD MODULAR PERGOLA (SHADECUBE, CUBEJOIN OR RETRACTAROOOF), the purchaser must agree to all of the warranty and Inclusion/ Exclusion disclaimers as specified in our Sales Agreement. An order placed, will be an acceptance of all terms and conditions. (A paid deposit or signed sales agreement is classed as acceptance)

IMPORTANT NOTICE (Continued)

6. The Shadecube Retractable roof does not form any part of the certified structure. The Retractable roof has a separate warranty. We recommend the roof is open during adverse weather conditions.
7. If your Shadecube structure is to be installed near or within a body of water, such as a swimming pool, spa pool or swim spa it may be subject to Electrical bonding. Please obtain expert advice from a licensed electrical contractor. This scope of works is not included. Manufacture lead times are approximate only and can change due to circumstances beyond Ubuild Modular Pergolas control. All lead times quoted or implied may change.
8. All manufacture lead times quoted or implied, may change due to raw material shortages or delays.
9. Please download and read all the installation instructions from our website, and make sure you understand all procedures. Failure to install our products correctly could cause personal injury or property damage.
10. Regular maintenance of our products is important to keep the Shadecube structure or Retractable roof in good working order for many years.
11. All specifications, finishes and prices are subject to change.
