

THE CREEK CHRONICLE

This Land Is Your Land

This land is your land, this land is my land
From California to the New York Island
From the redwood forest to the gulf stream waters
This land was made for you and me

As I was walking that ribbon of highway
I saw above me that endless skyway
I saw below me that golden valley
This land was made for you and me

I've roamed and rambled, and I've followed my footsteps
To the sparkling sands of her diamond deserts
And all around me a voice was sounding
This land was made for you and me

The sun comes shining as I was strolling
The wheat fields waving and the dust clouds rolling
The fog was lifting a voice come chanting
This land was made for you and me

Nobody living can ever stop me
As I go walking that freedom highway
Nobody living can make me turn back
This land was made for you and me

This land is your land, this land is my land
From California to the New York Island
From the redwood forest to the gulf stream waters
This land was made for you and me
