

Note From the President 11/10/2025

Hello Gentlemen,

Opening day was a huge success. 48 golfers with lots of new shirts ,new clubs and fresh turf to play on. They hit the tees with hopes of pars, birdies and eagles in their sites. Smiles and hugs were everywhere, again this was opening day. Some familiar faces rose to the top as Chuck Adams , Butch Pressley, Brian Frye and Tom Romleski tied for first in flight A . Joe Demarte and Ron Tatti took the top spot in flight B.

Congrats

to all the winners. Great day all around.

Next Saturday is a 2 man scramble . See attached flyer for information. We have 40 golfers registered for the event . We still have room for 8 more. We have quite a few new members , so don't be afraid to sign up as a single. We will get you paired up.

Speaking of new members , check the website (bigrockmc.com) later this week for the first edition of " between the tees " . This week I interviewed Eric Reece a new Big Rock Men's Club Member. Our hope is this will help you get to know our new members.

Information is always available on our website bigrockmc.com

Huge shout out to Rick Strong and Steve Bushong for developing a tracking sheet for all of the Saturday handicaps. They are next level coding gurus. Another shout out to Tom Romleski for all his work on the website plus keeping it up to date. Thanks to Ty Thomas for helping input scores and to Gary Mathiason for well just being Gary!

We are off to a great start to the year !

Enough Said Randy
