

NOTES FROM THE PRES.

Hello Gentlemen,

1/7/26

The Pinehurst. It's a little confusing at first, but it's a lot of fun. Congrats to all the winners. See bigrockmc.com for a list of everyone that won. Back to real golf this week. Choose your partner wisely. See attached for all the specifics. Also let's get back to exchanging cards when it's a 2-man game. You keep your opponent's score and they keep yours. A lot of us have been exchanging but we really need everyone to do it.

Bunker Management. There have been numerous times where there have been un-raked footprints and poorly placed rakes in the bunkers. Please rake the bunkers after your shot, and all rakes should be bridged with the rake tines in the bunkers and the rake handle resting on the bunker lip when exiting the bunker. That's best for everyone.

Thanks in advance. Okay last week's additional winners

1. Birdie bash \$25 winner the team of Tom Romleski and Brian Frye
2. Chip in \$120 winner the team of Dave Vicencia and Danny Yost
3. New year's \$20 drawing winner Eric Reece
4. 70's \$20 winner Dave and Danny (we had 9 teams in the 70's)

If you are planning on playing the 2-man net 1 better ball you should reply to your golf genius notification asap. We have over 38 signed up already.

Please visit bigrockmc.com for information you need to know and for some you don't need to know!

Donations, Donations, Donations for member/ member auction let me know.

We raised \$350 dollars for the maintenance crew. They usually have a big Mexican fiesta lunch with the money, or 2. Thanks to everyone that contributed.
